# Index to AMERICAN JOURNAL OF NURSING

VOLUME 85, NUMBERS 1-12

JANUARY-DECEMBER 1985

This index is arranged in two sections, the Subject Section and the Name Section. **Articles** are entered under the name of the author and joint authors in the Name Section and under one or more subjects in the Subject Section.

**New items** are under the names of the organizations or groups mentioned in the Subject Section as well as the subjects to which the items pertain. **Honors** bestowed upon nurses are under the subject AWARDS AND PRIZES; **colleges and universities** are under the specific name of the institution. All appointments are under subject Appointments or People (Department); however, appointments to state, national, international, and federal agencies may also be under specific name of agency involved and under personal name in the Name Section. **Educational programs**, the opening or closing of schools, and special courses given for credit are found under subject Education Programs.

**NOTE:** In addition to subject headings used in **Medical Subject Headings (MeSH)**, published by the National Library of Medicine, pertinent nursing headings and updated headings in other health disciplines are used to make this index more useful and relevant.

The paging is continuous within the yearly volume. The numbers following each entry indicate the volume and page for 1985; i.e., 85-93 means vol. 85 page 93. Following are the page numbers for each month:

January pp. 1-114  
February pp. 115-220

## NURSING COMMUNICATIONS NETWORK

### DELIVERS COMPREHENSIVE COVERAGE OF NURSE INFLUENTIALS

Get comprehensive coverage of 320,000 leading nurse influentials nationwide in their preferred professional publication—and the clear leader among mass nursing media—*AJN—American Journal of Nursing*.

### DELIVERS TARGETED COVERAGE OF KEY NURSING SPECIALTY CATEGORIES

- **MCN, The American Journal of Maternal/Child Nursing.** Delivers low-cost coverage of 38,000 influential nurses in pediatrics, neonatology, perinatology and family planning—in the magazine that defines the growing maternal/child market.
- **Geriatric Nursing, American Journal of Care for the Aging.** Delivers unmatched coverage of 26,000 decision-makers in the increasingly important geriatric field—the fastest growing market for health care products.
- **Nursing Outlook.** Takes your message to the top: to over 20,000 nursing leaders in education, community health, administration and clinical specialties. *Nursing Outlook* is the premier issue-oriented journal for nurses.
- **Nursing Research.** Influences over 10,000 of nursing's top-echelon forward-movers: master's and PhD researchers, faculty and students.
- **The AJN Guide.** Provides long-lasting recruitment ad life. *The Guide* is nursing's leading annual career directory, and leading year-round medium for recruitment advertising.

### TAILORS COVERAGE, MAXIMIZES EFFICIENCIES VIA DEMOGRAPHIC EDITIONS

*AJN* offers targeted, cost-efficient demographic editions, including: *AJN Hospital Demo*, *AJN Critical Care Demo* and *AJN Home Health Care Demo*.

### URNS YOUR AD PROGRAM INTO A COMPLETE MARKETING CAMPAIGN

*AJN* Company **Combination Discounts** let you combine insertions in *all* publications and demographic editions to earn maximum frequency discounts. And *AJN* Company's free **Marketing Support Services**—including Focus Groups, Ad Readership Studies, Reader Service Cards, Reader Response Studies, Merchandising Mailings and Market Research Studies—turn your ad programs into complete marketing campaigns.
